

Accommodation

In Kaiserstuhl there are many accommodation possibilities, but in September there is also nearly as many visitors around! Therefore, an early reservation is advised...

During the party, also till late in the night, we will provide a taxi service that can get you to your hotel or pick you up to come back to the celebration at any time.

That means that you can enjoy the wine and still stay in a hotel in one of the neighboring villages like Bischoffingen, Burkheim, Oberrotweil, Jechtingen, Sasbach, Bickensohl, Kiechlingsbergen or Oberbergen. They can all be reached within 5 to 10 minutes by our taxi service. Hence, it is possible to change shifts, for example, for taking care of the little ones. In the Weingut, there is also a separate room where one can take a still moment, for example, with a baby.

For those who do not need much comfort, we can also provide a clean corner with access to a bathroom where you can lay down in your sleeping bag and camping mat after the party. If you consider this option please contact Daniel directly.
